

Wapiti Bugle Ballot Information 2017

Application and Dates

Once a year the Fiordland Wapiti Area is divided into hunting blocks and balloted for the bugle period. Applications for a block should be made on an official application form, available from Fiordland Wapiti Foundation, PO Box 160, Te Anau 9600 or email fwfsecretary@gmail.com. Please include a stamped self-addressed envelope with your application.

Application forms are available from 1 August 2016 until 9 October 2016. Applications must be received by 5pm on Sunday 9 October 2017.

The ballot will be drawn under police supervision at 11am on Saturday 29 October 2016 at the Te Anau Club. All applicants are invited to witness the ballot. Applicants will be notified in writing of the result of the ballot as soon as possible.

Only ONE application will be accepted from each party and individual names may only appear on one application form. Any form of duplication will result in disqualification. No member of a party can be changed unless prior approval from the ballot committee.

Vacancies as a result of cancellations will be allocated in the same sequence as in the bugle ballot to applicants who entered and failed to obtain a block in the original ballot. Phone bookings will not be accepted.

The bugle is divided into three ten-day periods:

1. 20 - 29 March 2017
2. 30 March - 8 April 2017
3. 9 - 18 April 2017

The Wapiti Area is closed for all hunting from 15 February until the start of the first ballot period each year and closed for helicopter wild animal recovery until 30 April.

Blocks

There are 25 blocks in the Wapiti Area. Boundaries are defined on the map on the back of the information sheet.

A maximum of six hunters will be permitted on a block at any one time. This can consist of separate parties of two hunters plus four hunters, or three plus three, or one party of six hunters. Parties of five and solo hunting applications will be declined.

Blocks numbered 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 20, 24, 25, and the northern sector of 19 are within the Glaisnock Wilderness Area and subject to restricted conditions relating to aircraft. No aircraft landings are permitted above mean high water mark and supply drops from aircraft are not permitted within the Wilderness Area.

Briefings

A briefing for hunting parties will be held on the night before entering your block, (Sunday 19 March 2017, 3 pm Wednesday 29 March 2017 6pm and Saturday 8 April 2017 3pm), at the Te Anau Club. It is in hunters' best interests to attend the briefing for updated information.

Permits

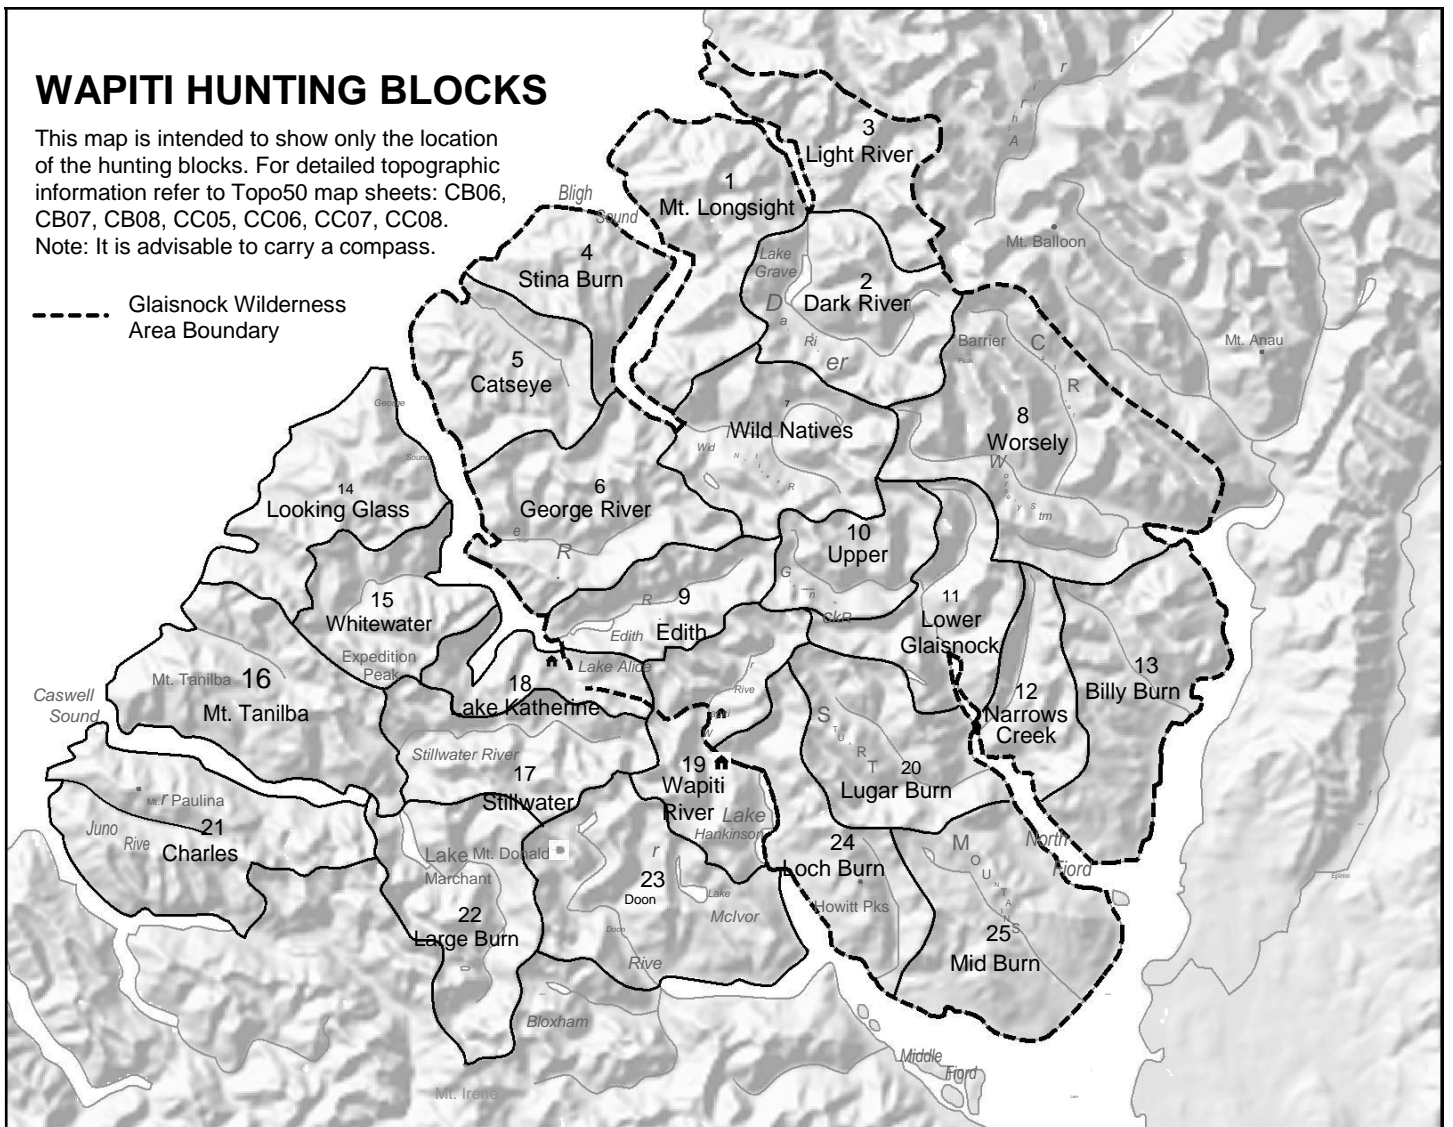

Successful parties must confirm their intention to take up their hunting blocks one month before hunting commences in the first period or the block will be offered for reallocation to unsuccessful balloters. Only parties entered in the ballot will be entitled to reallocated blocks.

Hunting permits will be pre-written and issued at the briefing. Only hunters confirmed for the bugle will be allowed to pick up and sign for their permits. Late changes or additions may not be accepted. Special circumstances will be considered by the Wapiti Ballot Committee. All hunters will need to provide proof of identification.

General

- Dogs are not permitted in Fiordland National Park.
- The use of topographical maps, a compass and a personal locator beacon is recommended.
- Hunters using backcountry huts are required to pay hut fees.
- A Compliance Officer may be in the area during the no-hunting period prior to the bugle.
